

Claire Streb's Online Presence

Philosophy: Do not spend all waking hours online, because a healthy work-life balance is crucial. Therefore, participate online, but do not consume all waking hours. Points on StackOverflow etc. are not top on my priority list, because they do not accurately measure what I bring to the table.

Google Play Store	Mine: https://play.google.com/store/search?q=computeregghead Others: Dozens of mobile apps for other companies, such as: https://play.google.com/store/apps/details?id=com.approutes.mysportsdiary.view&hl=sv
