

Claire Streb's Online Presence

Philosophy: Do not spend all waking hours online, because a healthy work-life balance is crucial. Therefore, I participate online when I have the time, but it does not consume all my waking hours. Points on StackOverflow etc. are not top on my priority list (although I have reached about 150,000 people as of this writing), because they do not accurately measure what I bring to the table.

Google Play Store	Mine: https://play.google.com/store/search?q=computeregghead Others: Dozens of mobile apps for other companies, such as: https://play.google.com/store/apps/details?id=com.approutes.mysportsdiary.view&hl=sv
